Nonprofit Organizations Services Snapshot

Are you properly screening all of your employees and volunteers?

Though screening volunteers can be a headache, we have the tools to help you do so with ease. This will help ensure volunteers are the right fit for your organization.

We can also help you manage those volunteers with our volunteer safety manual and other educational pieces.

Do you employ temporary workers or teens?

We'll help you understand your compliance responsibilities when it comes to labor laws and youth employment regulations.

Does your broker keep you in the loop with the many nonprofit laws and regulations?

We can assist you in understanding the various laws that apply to nonprofit organizations, so you avoid penalties.
